Advanced Technologies

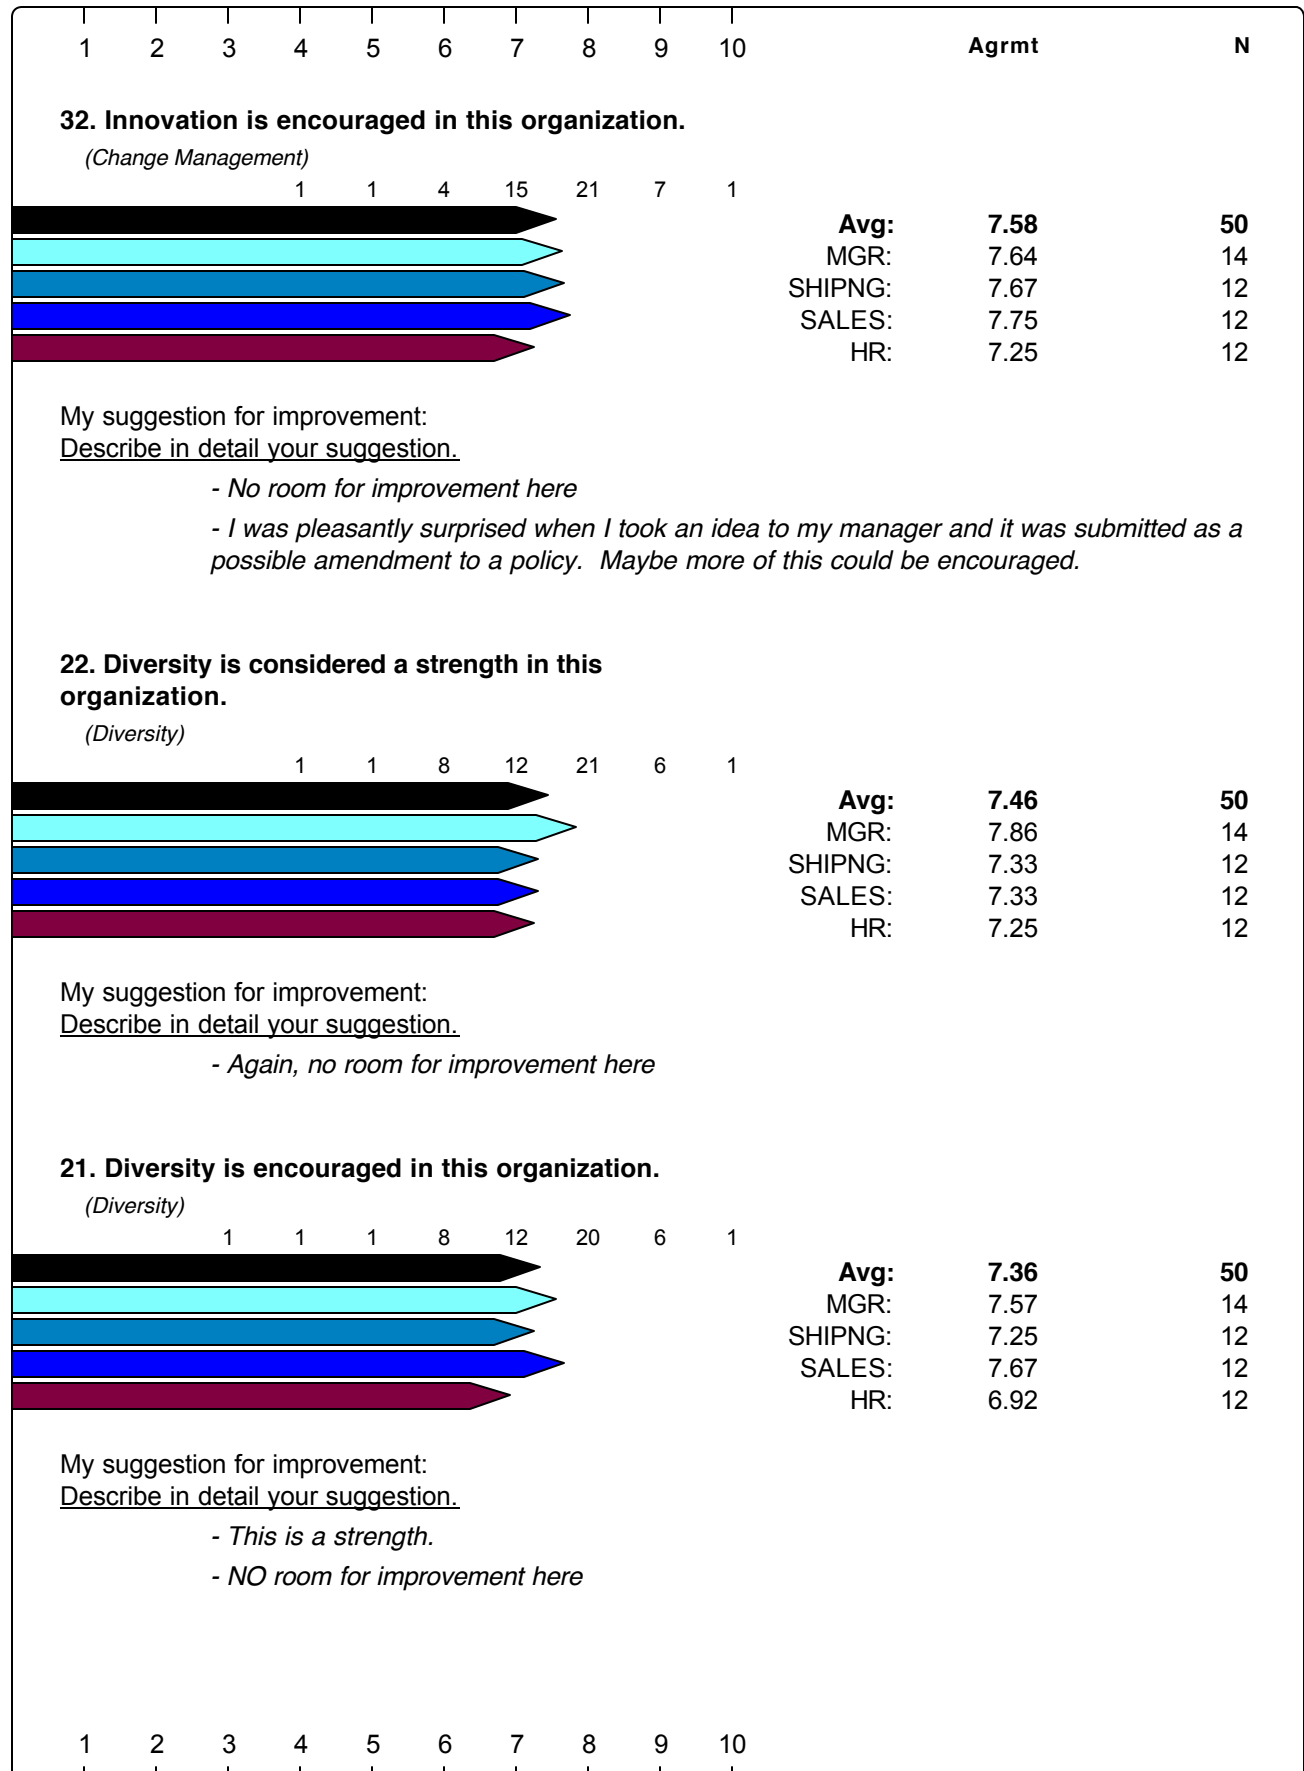

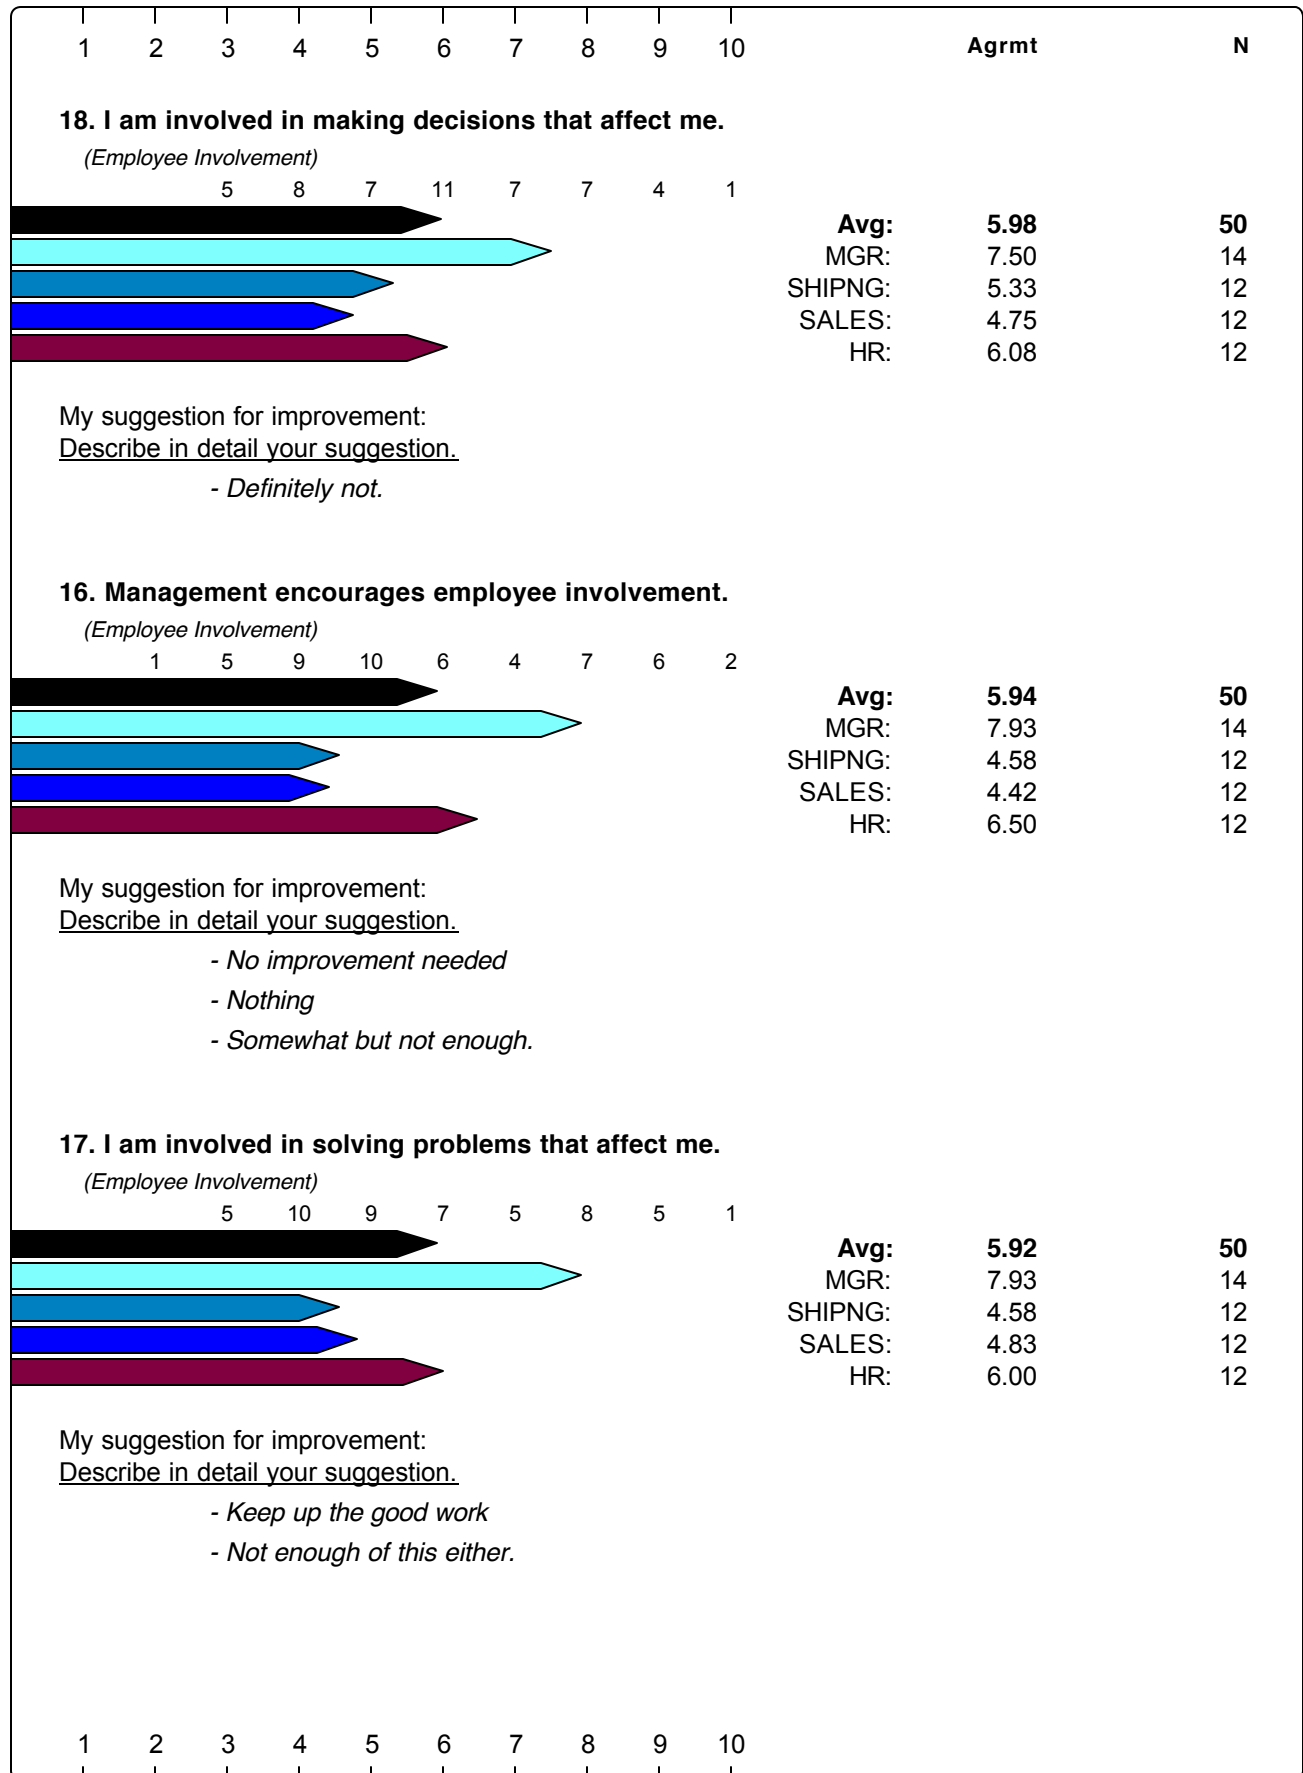

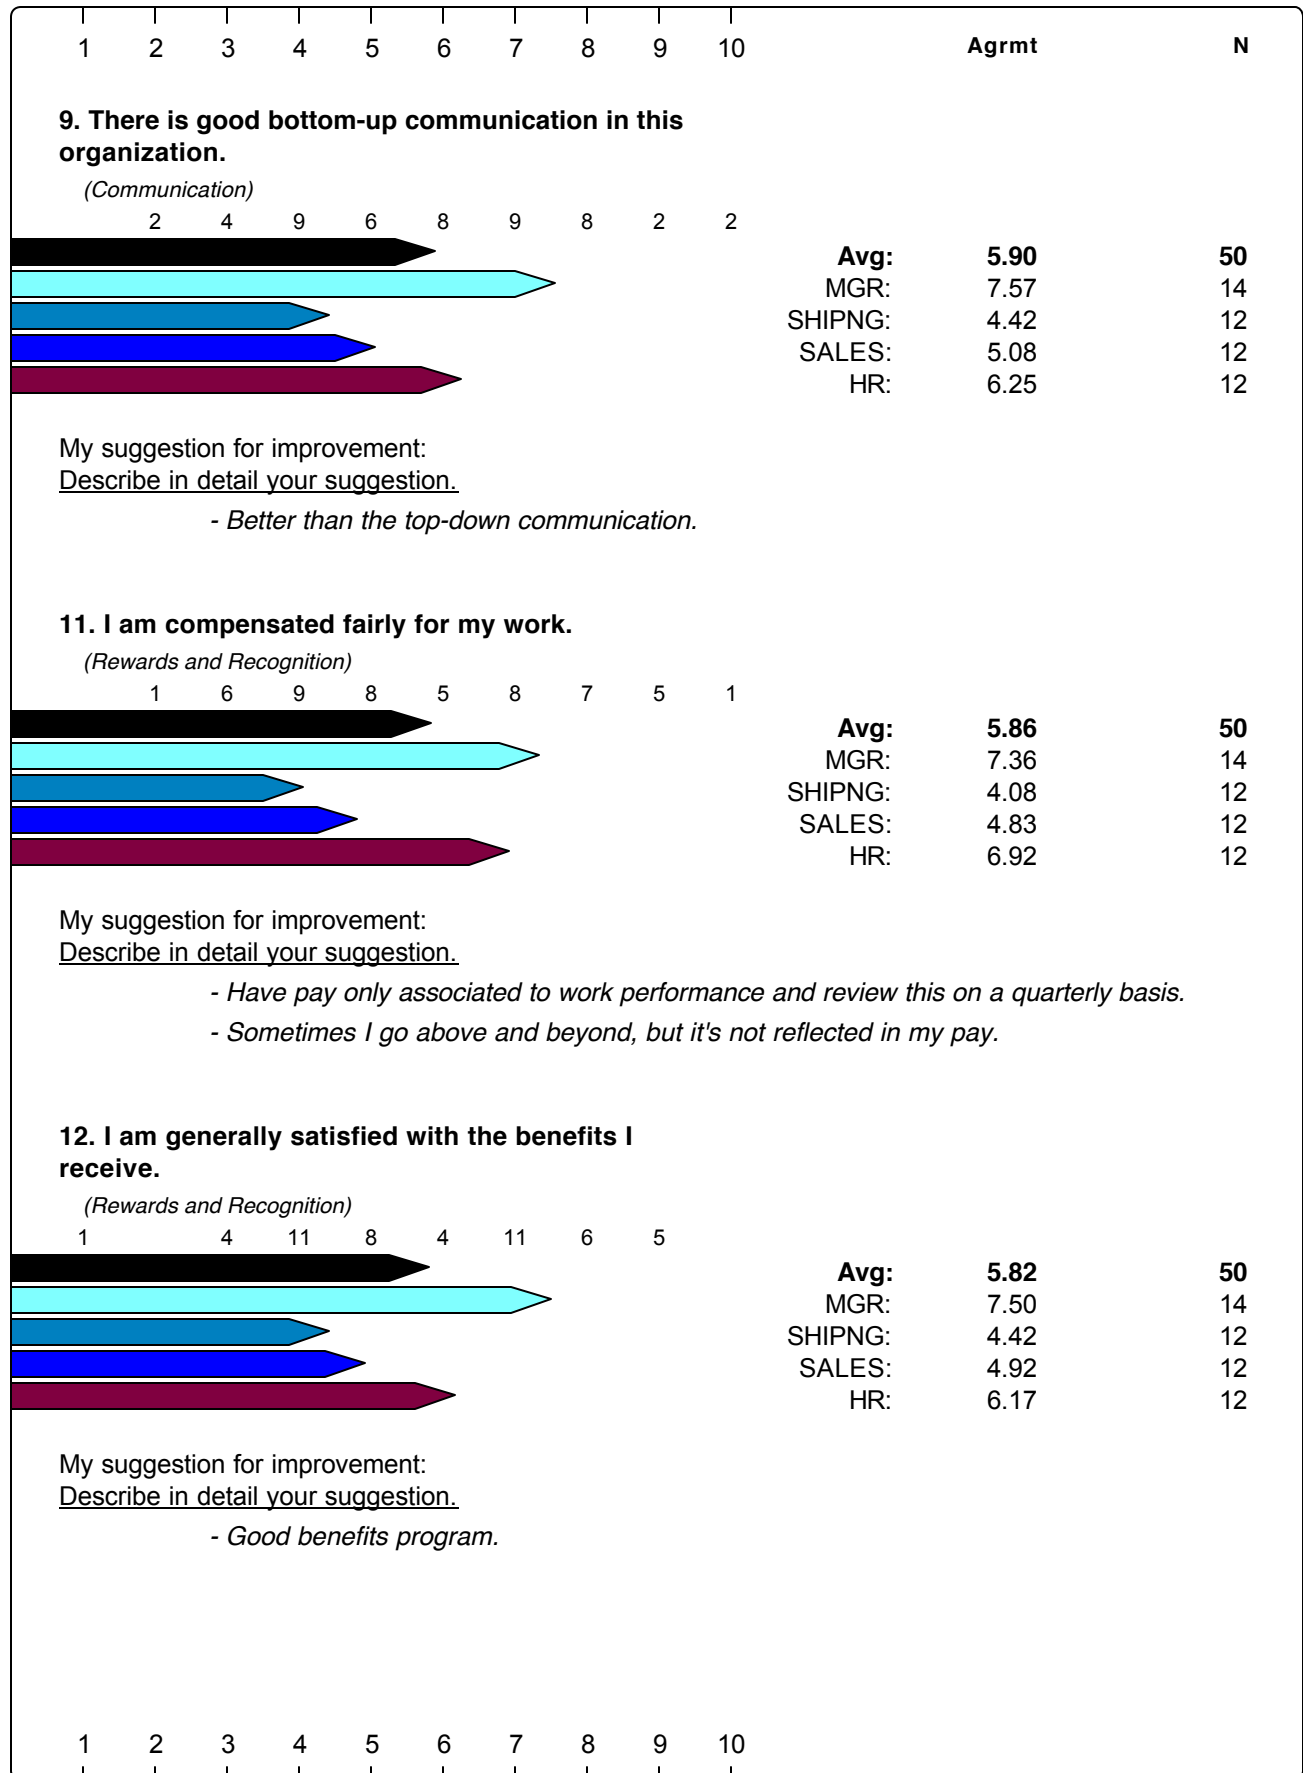

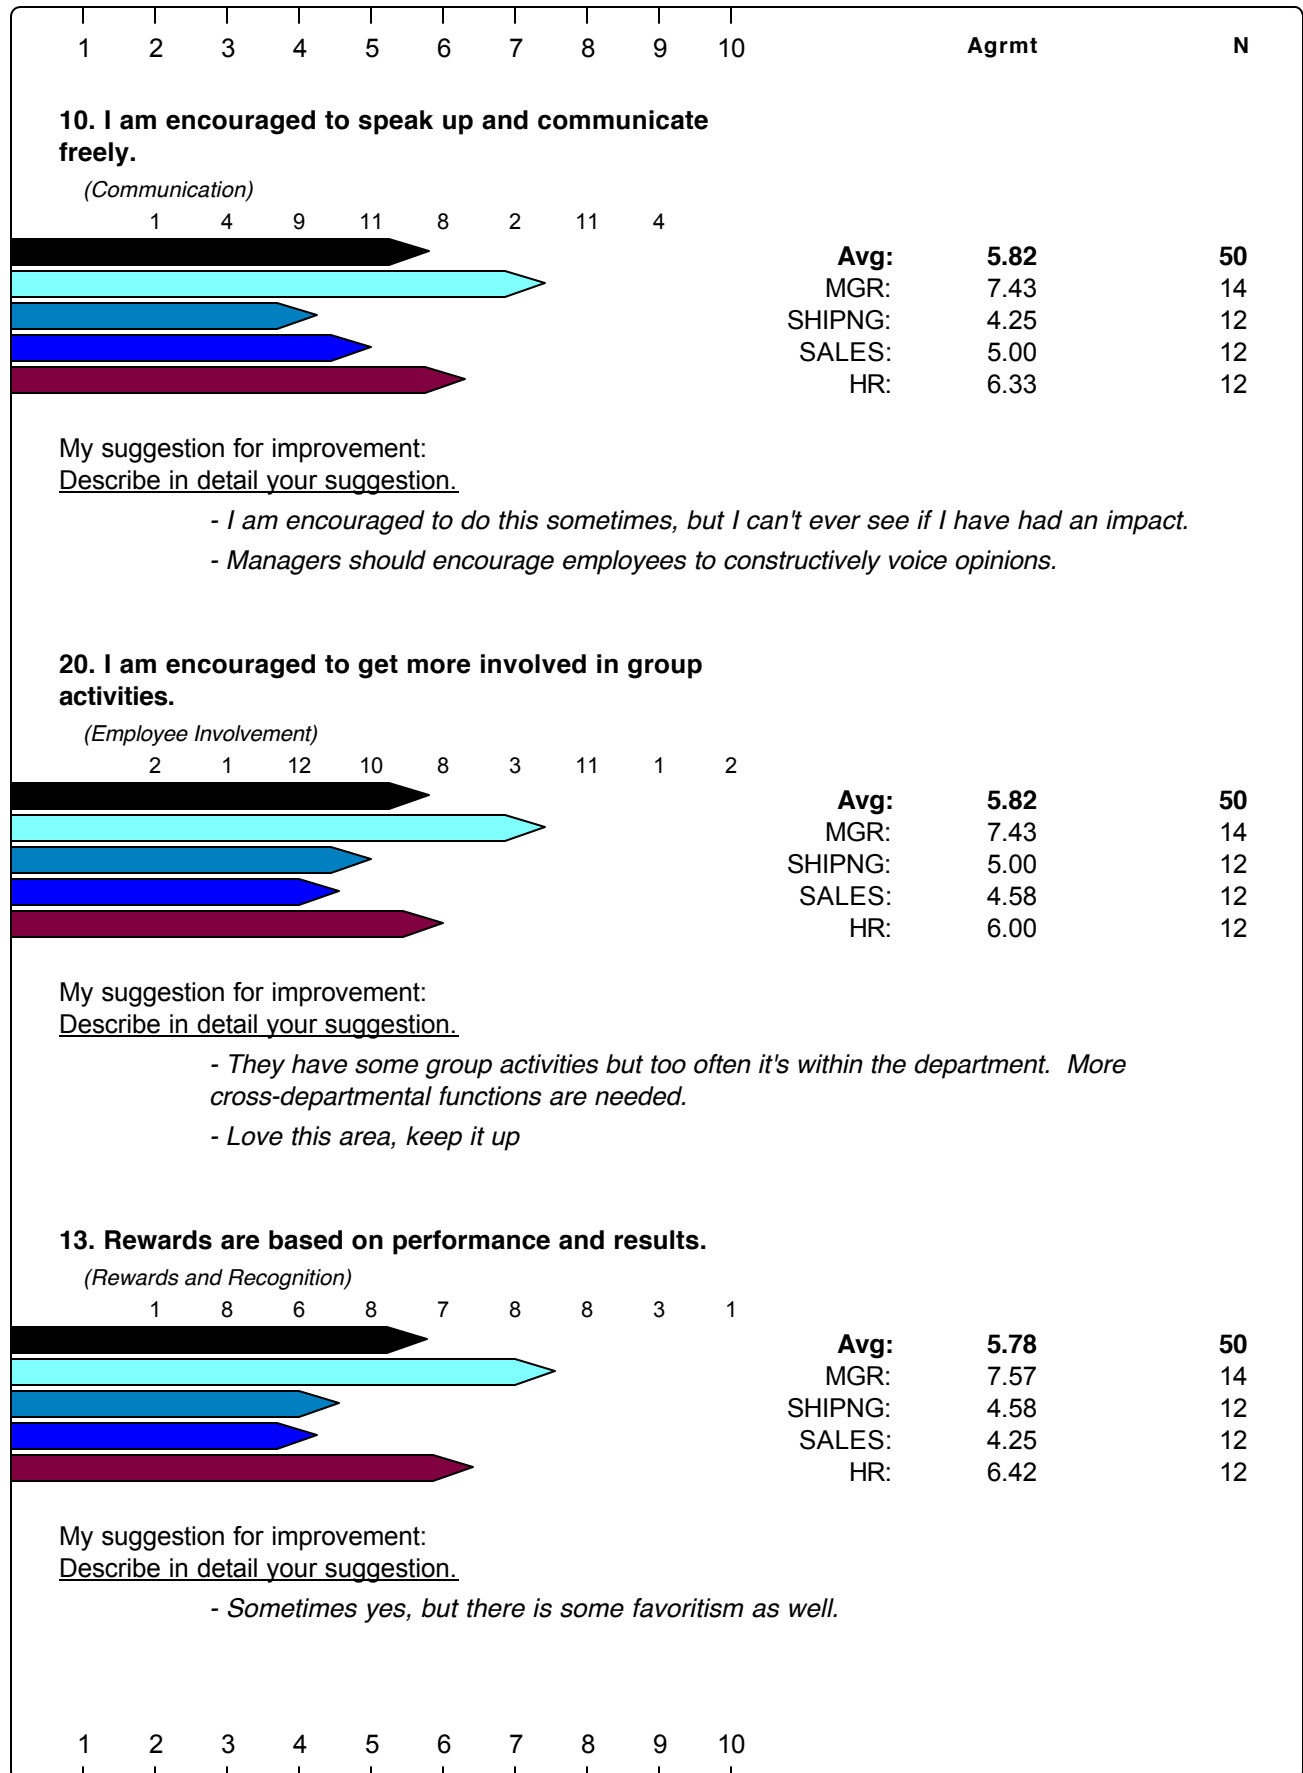

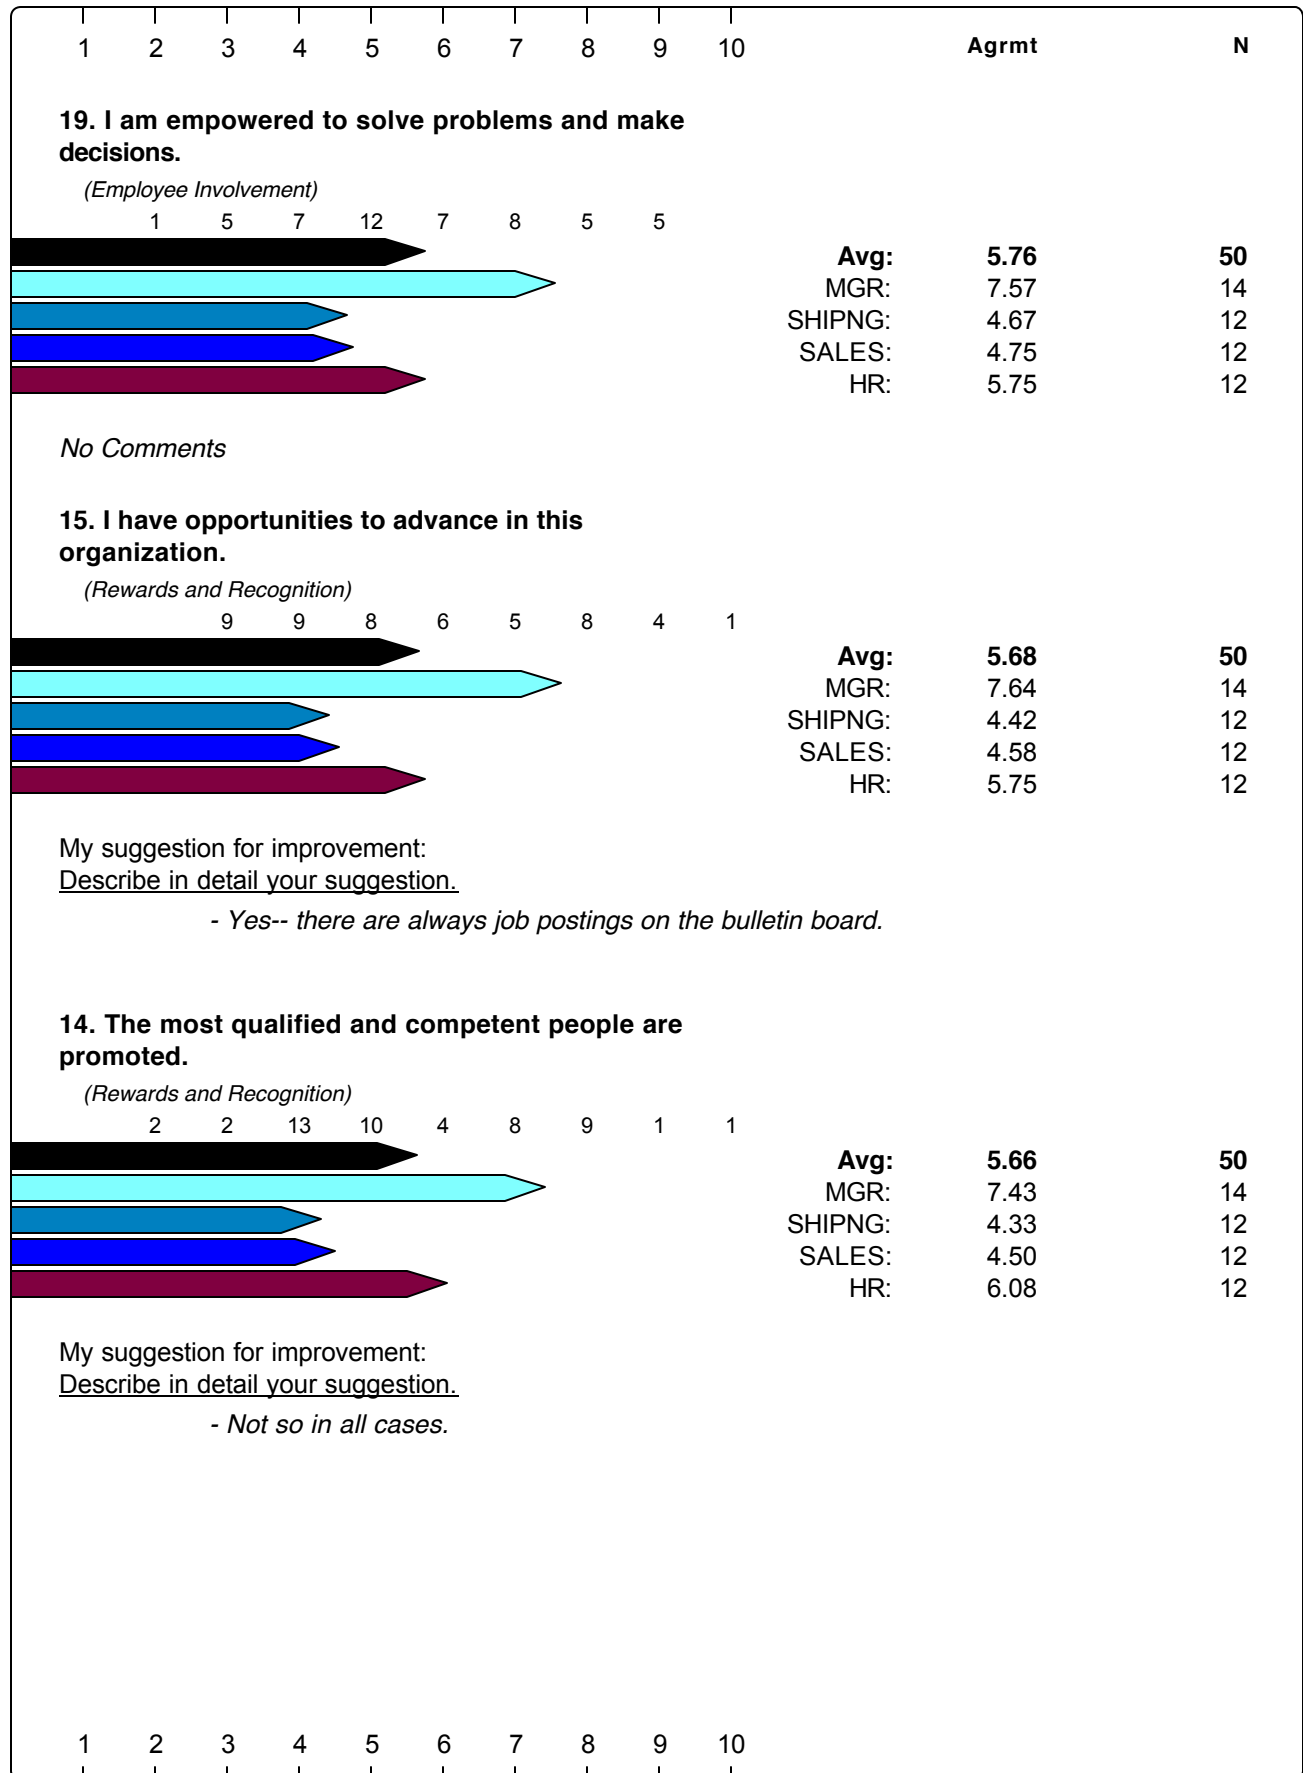

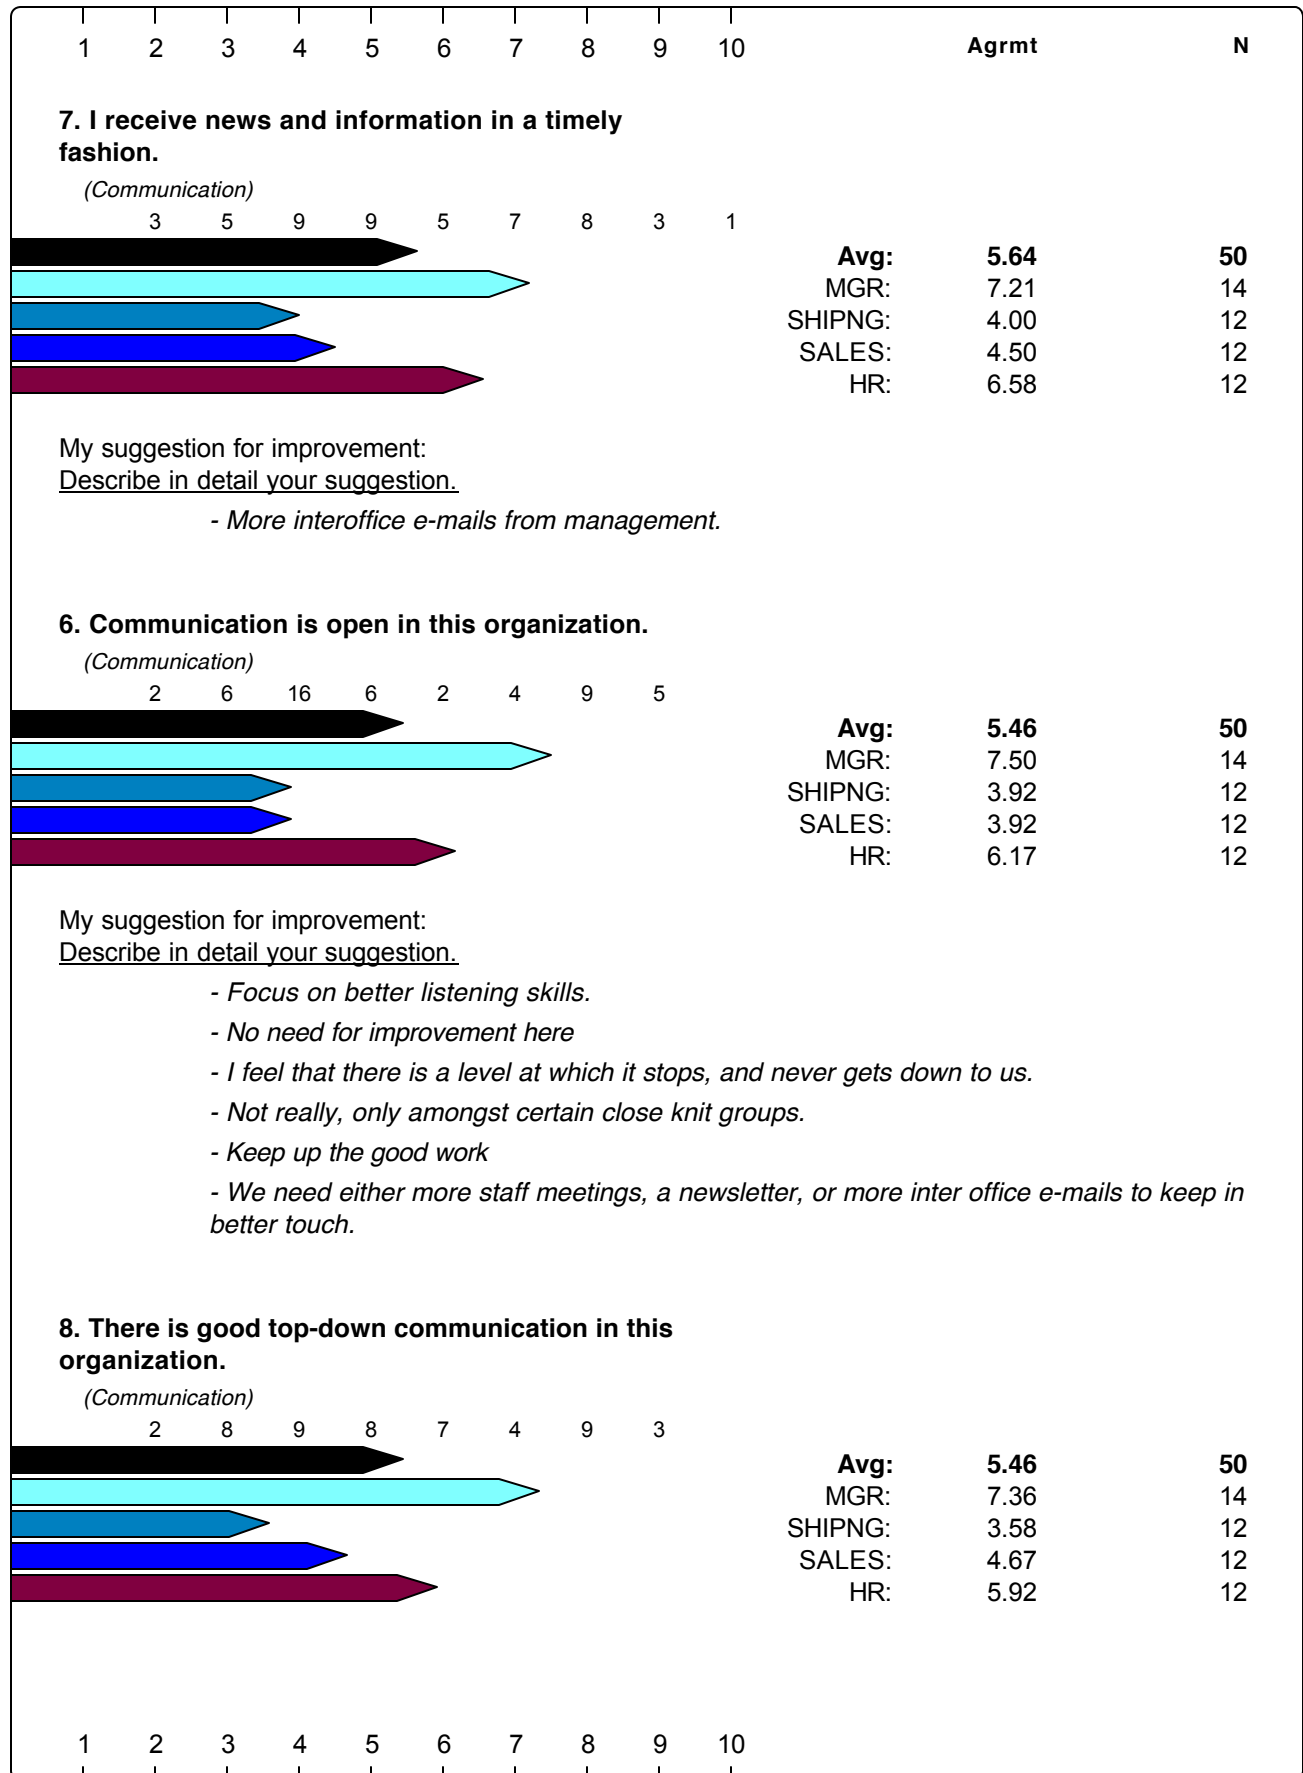

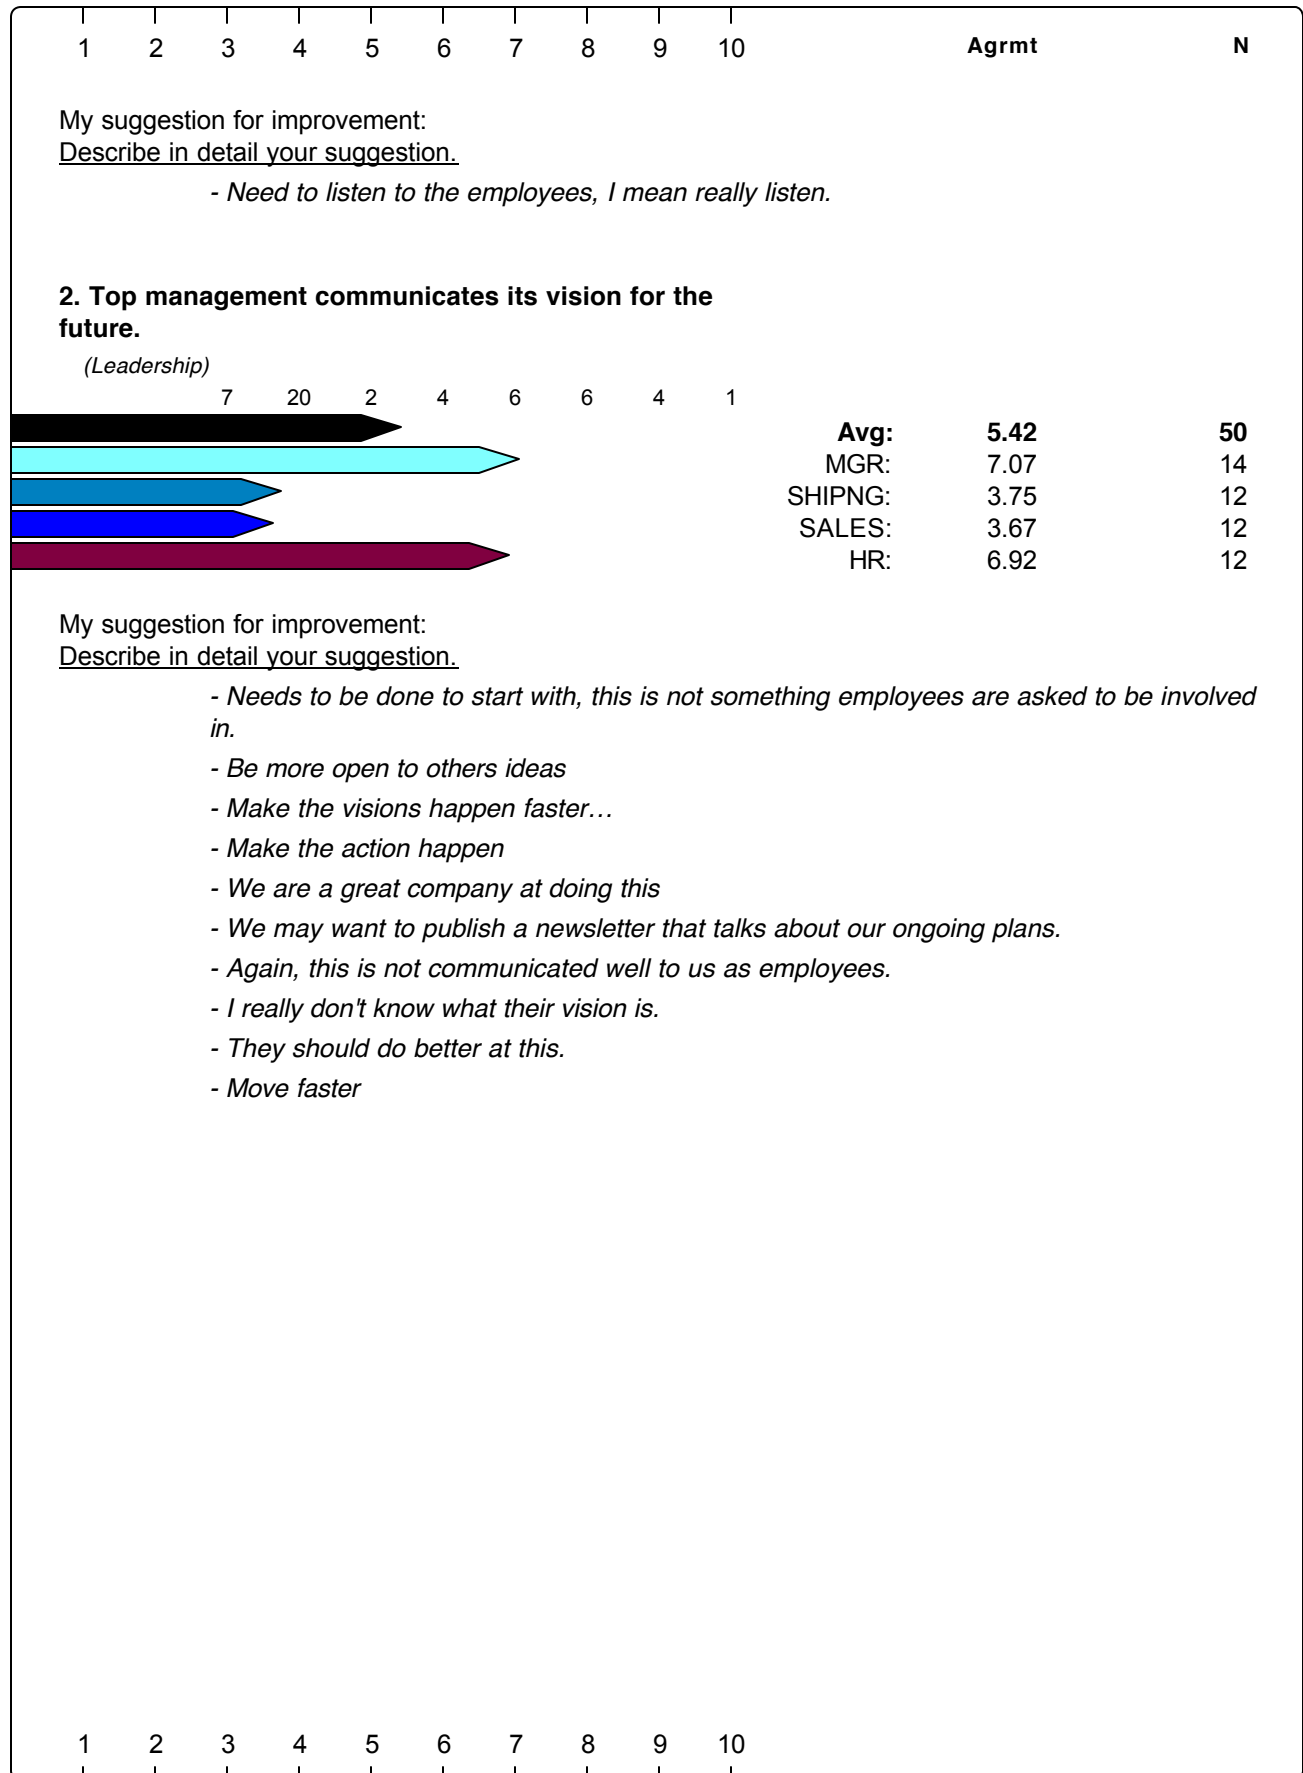

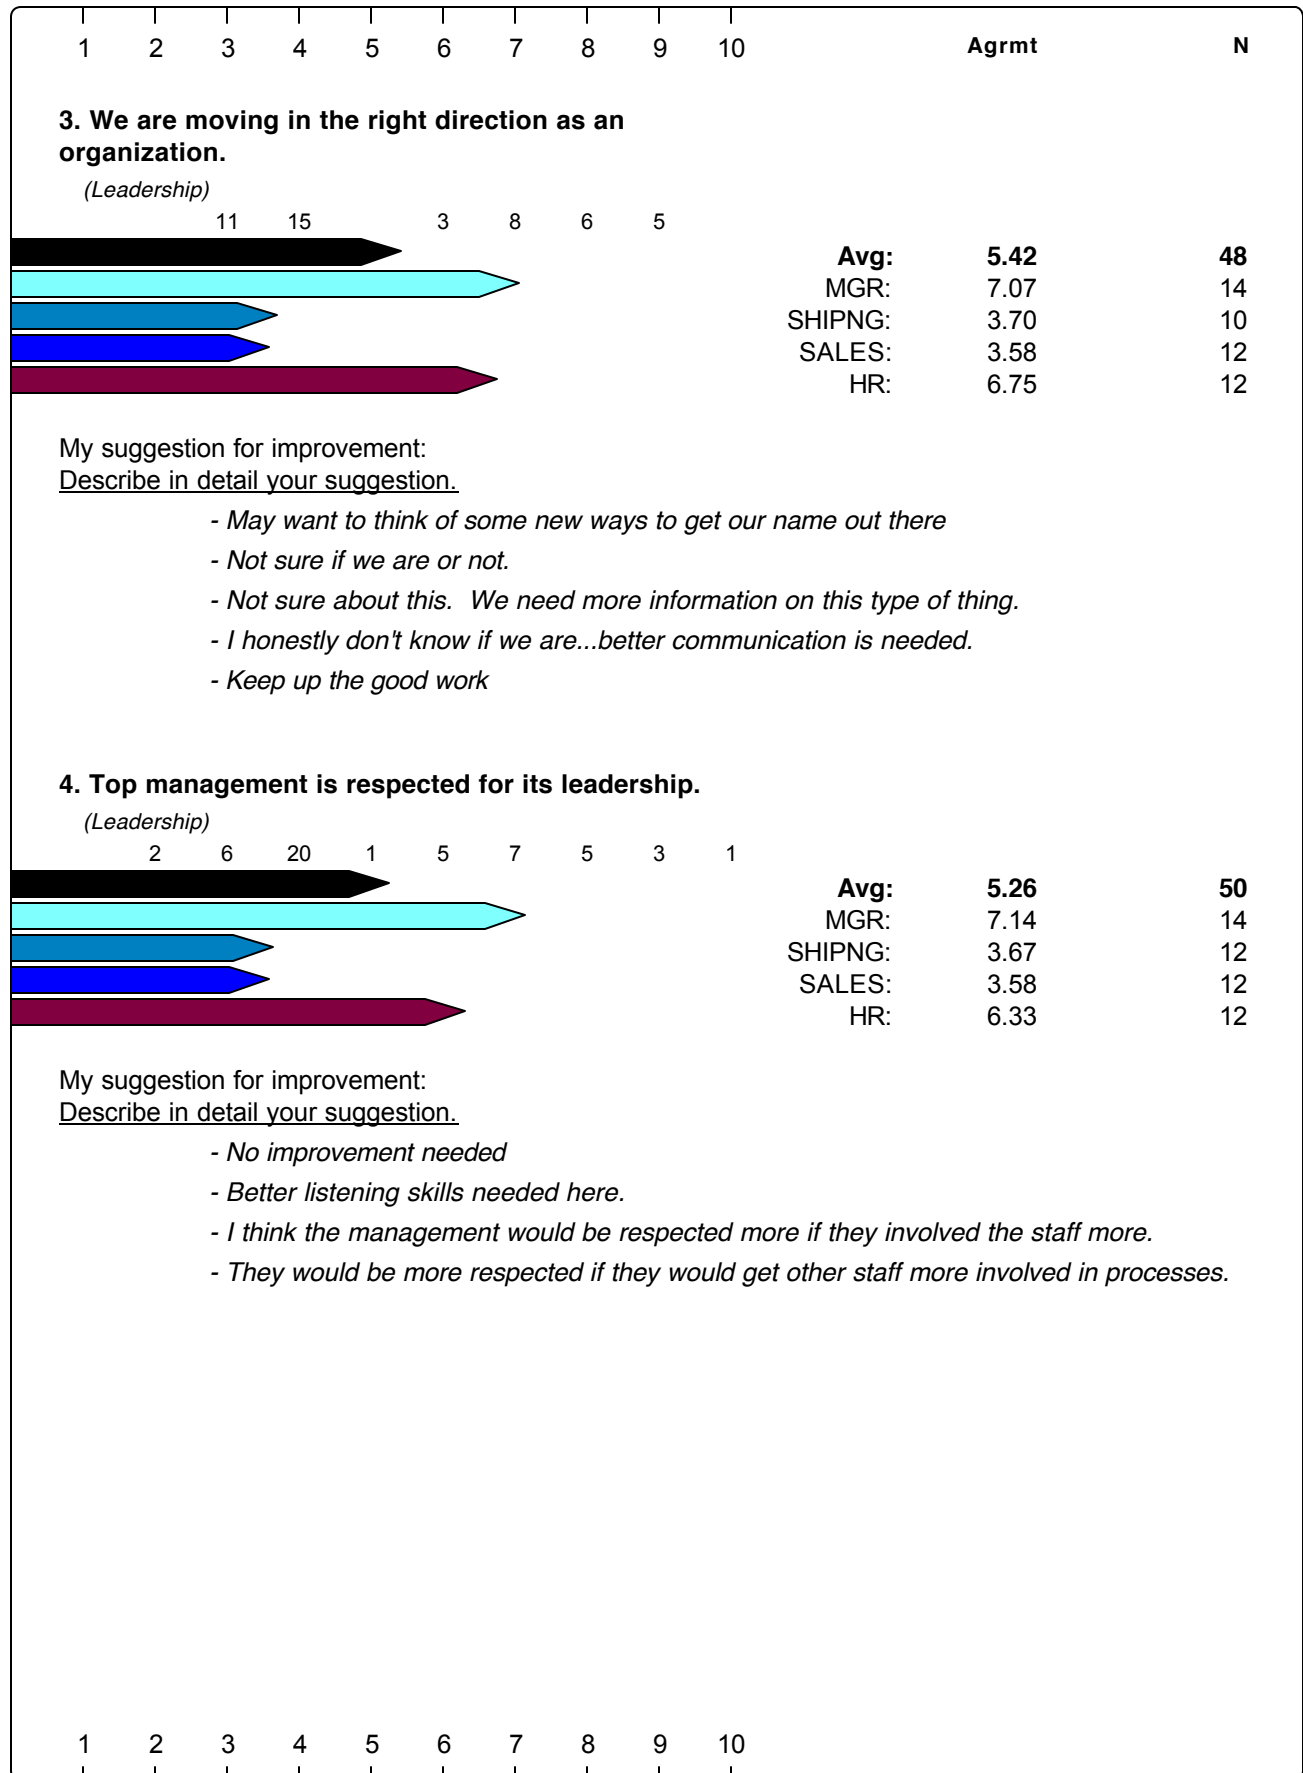

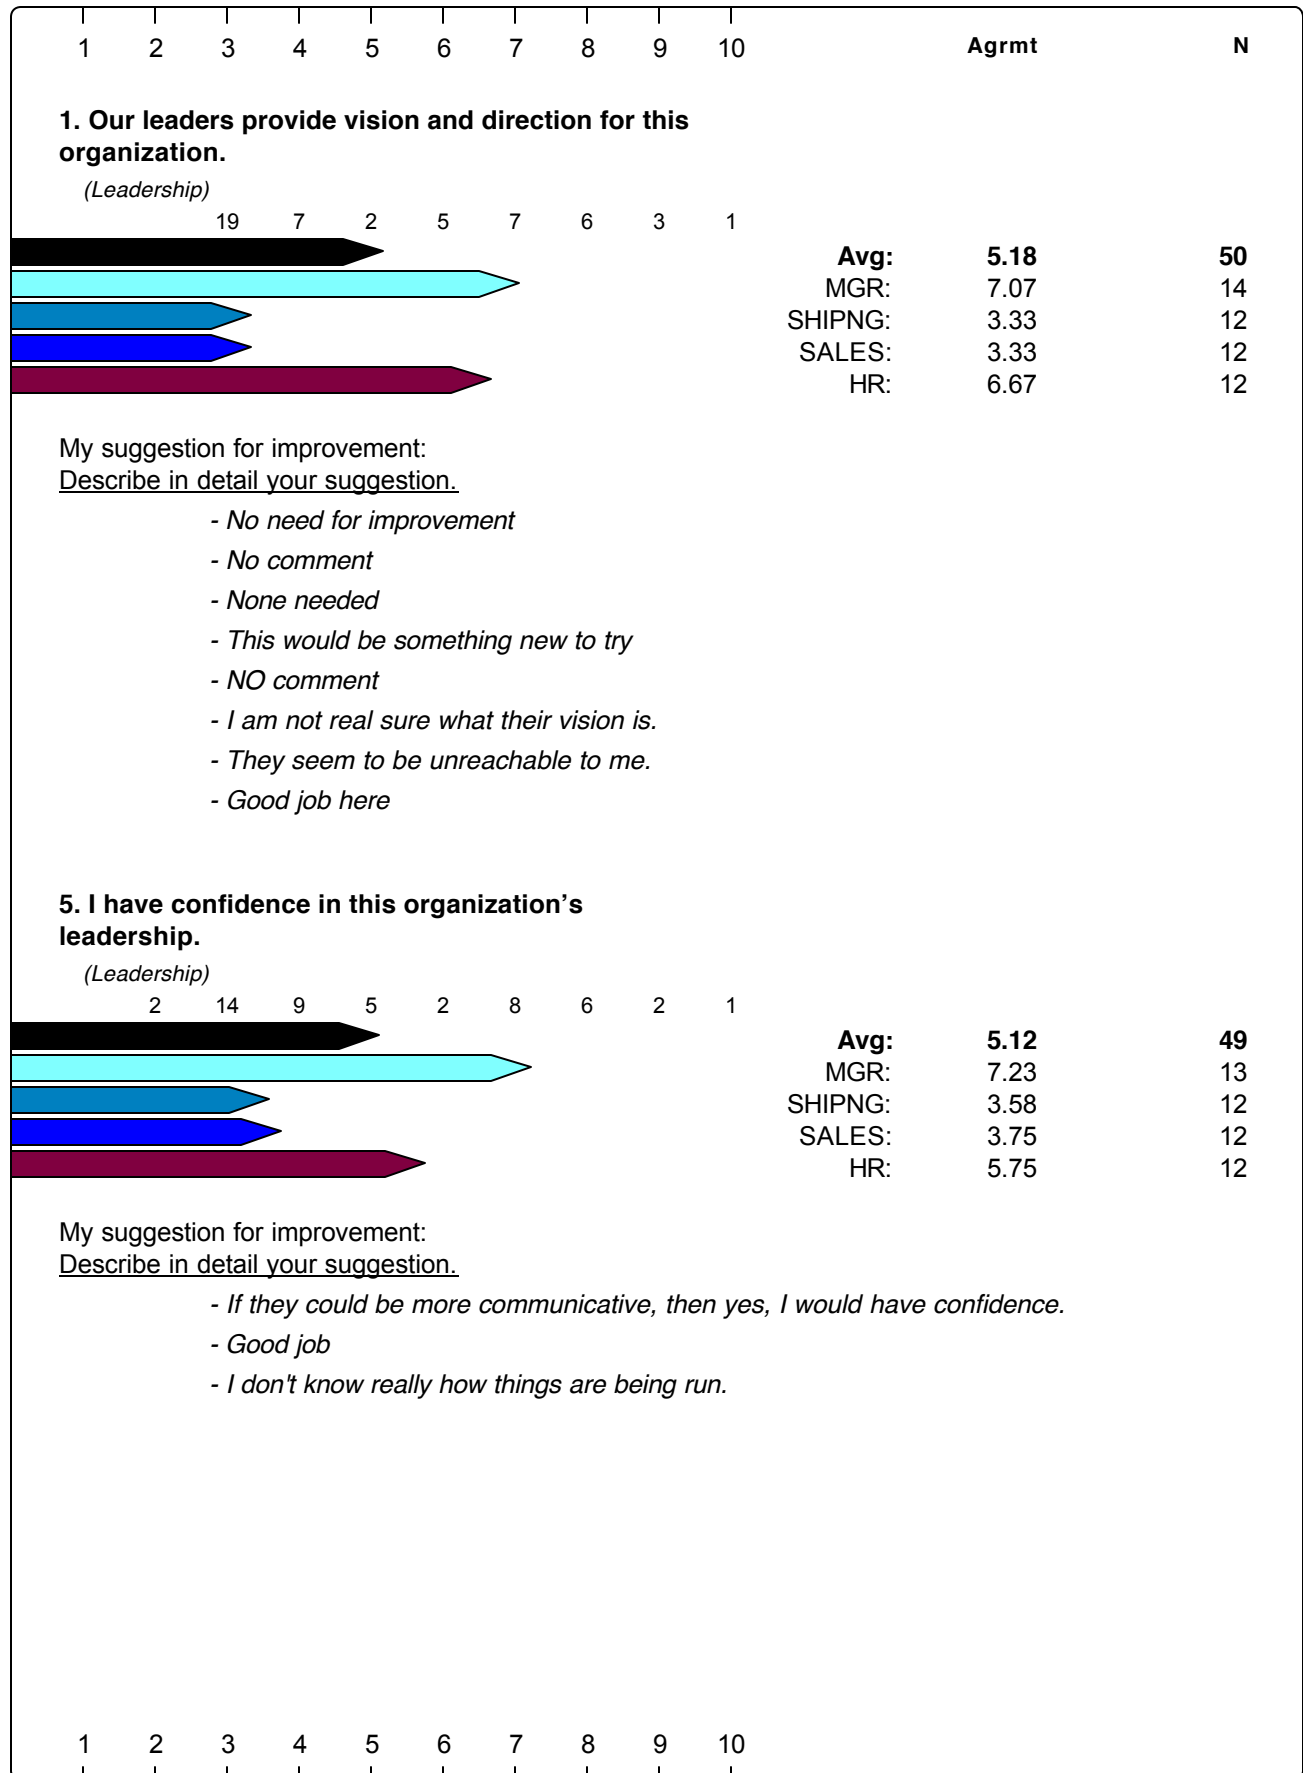

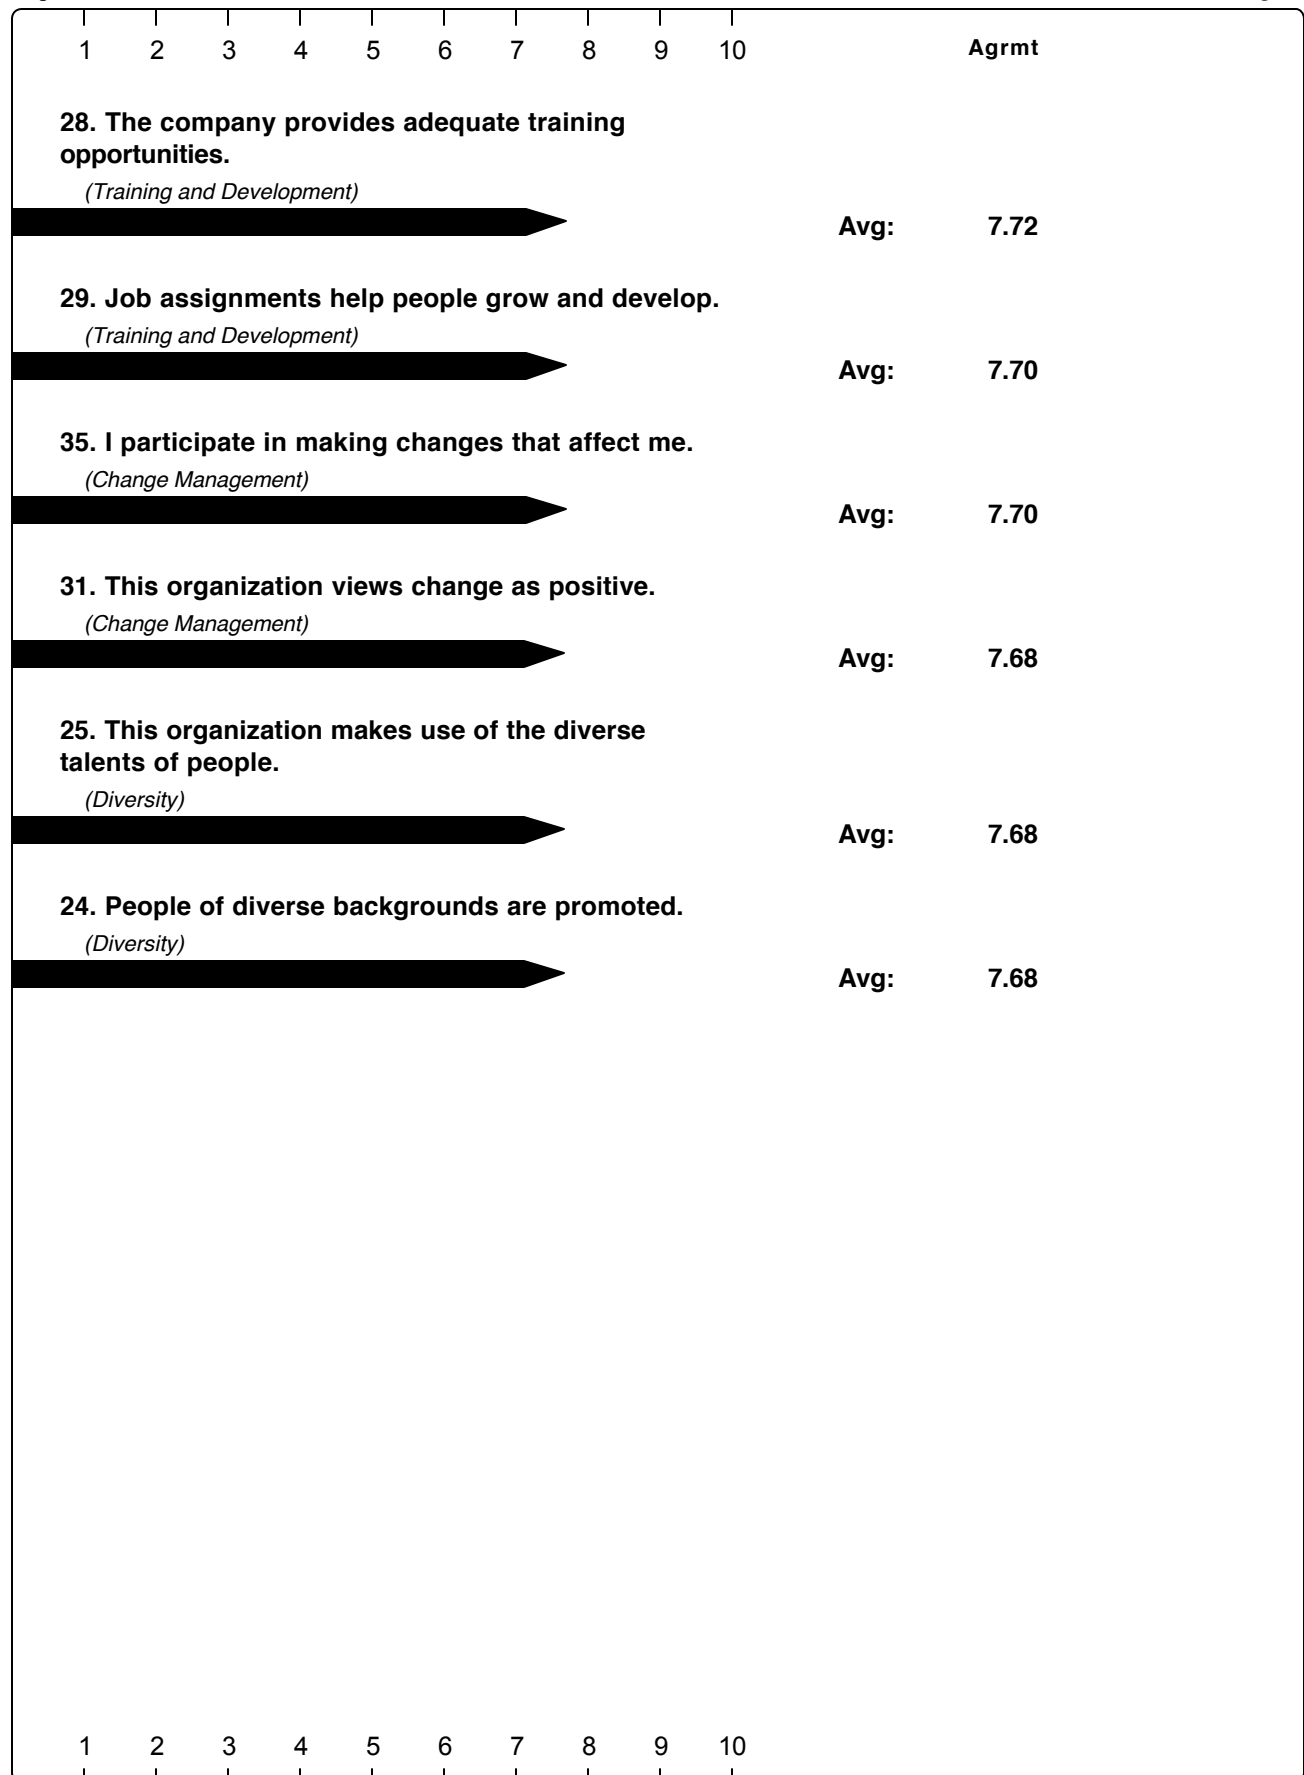

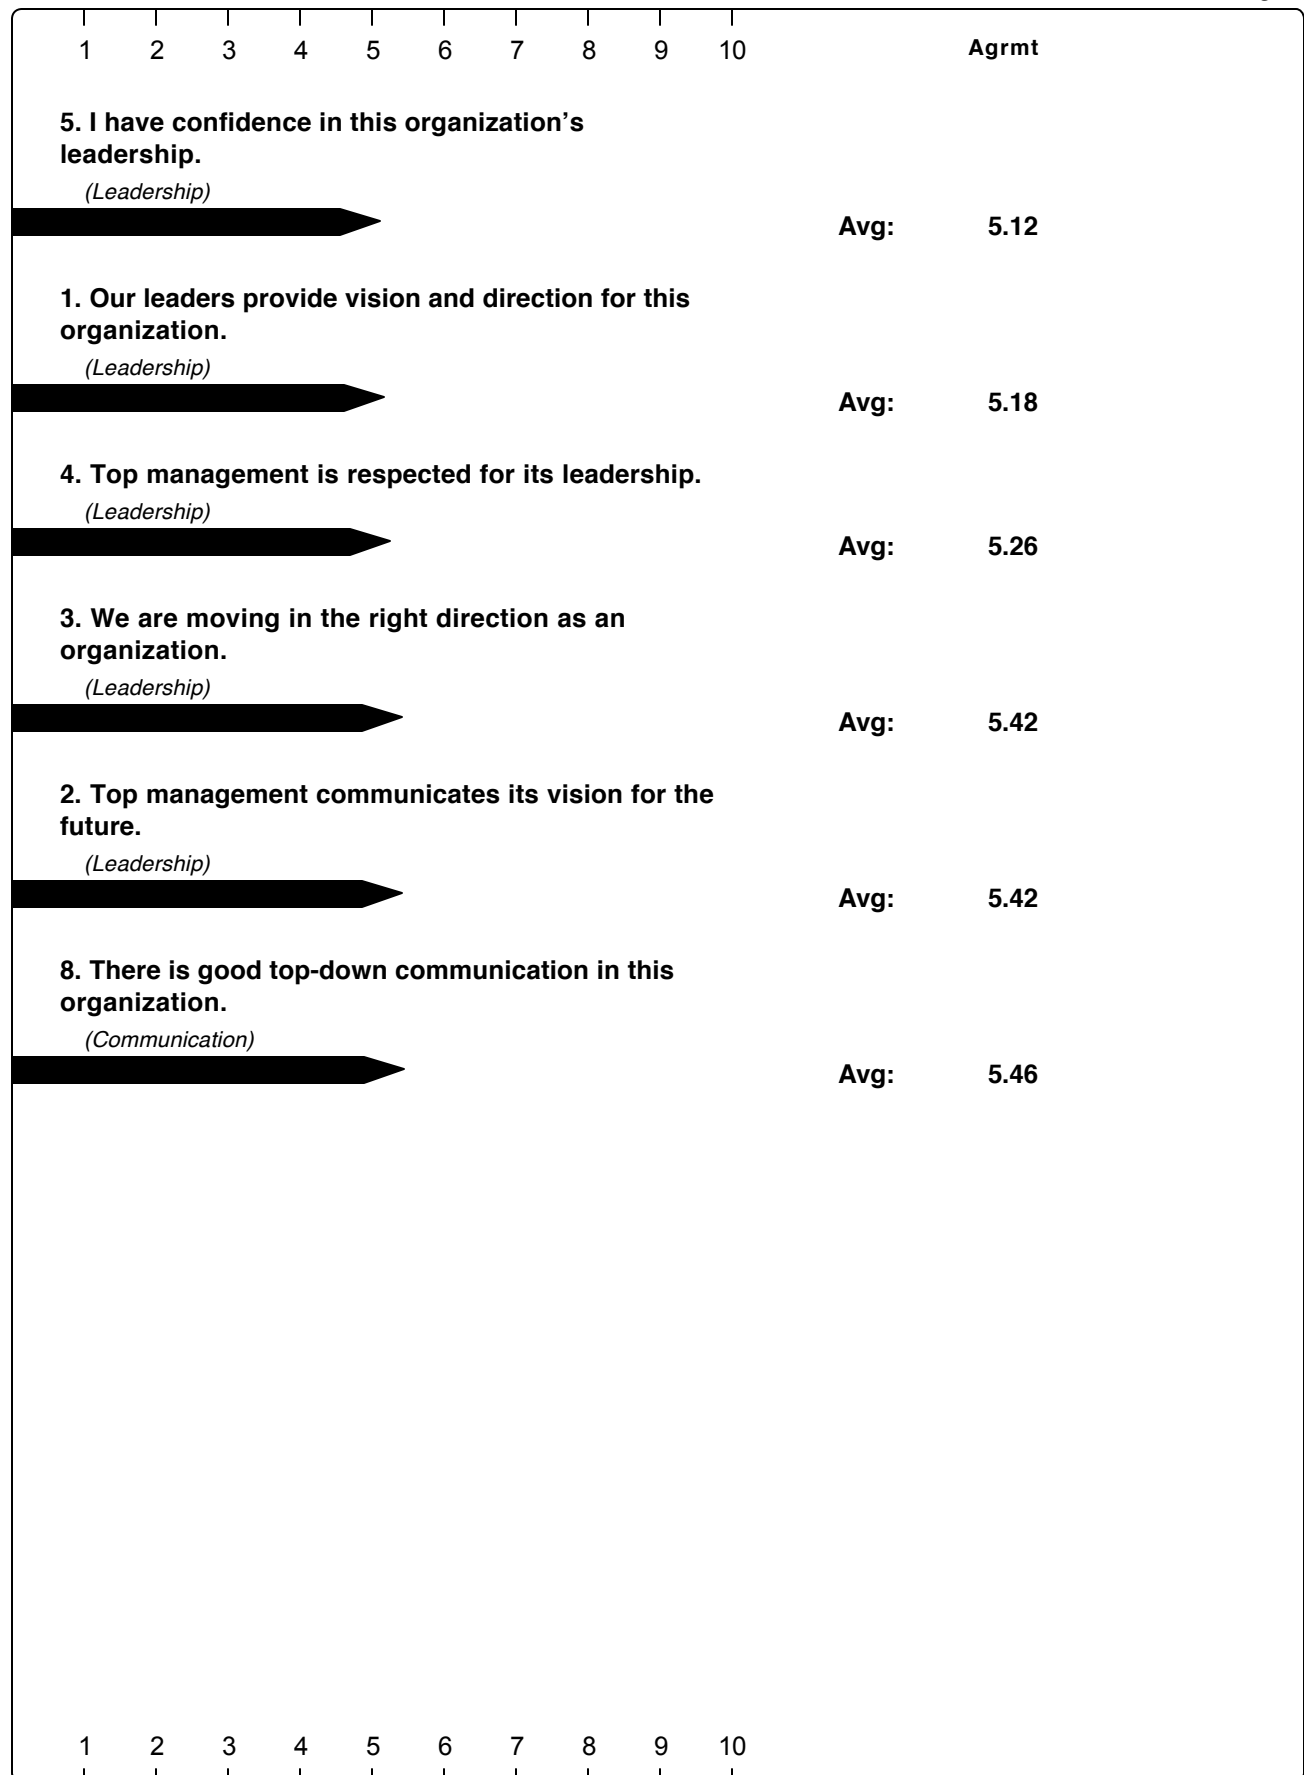

1. What is Advanced Technologies' greatest strength?

- *The great management team and how well they work with all the levels of employees.*
- *The way management works together to problem solve.*
- *Their training programs, and the wide variety of different people who work here.*
- *Their training facility and opportunities for growth. Their openness to all types of people and backgrounds.*
- *Employee communications...*
- *Flexibility with employees*
- *Nothing*
- *Their diversity and their training programs. Their openness to change (this survey is a good step).*
- *Allowing employees flexibility in their work areas.*

2. What should Advanced Technologies work harder to improve?

- *Keep up the great job*
- *The communication between management and staff.*
- *Their communication and employee involvement in envisioning and decision making.*
- *Their communication! I feel quite uninformed about the future of our company.*
- *Employee relations*
- *Pay to compensate for work performed*
- *Give recognition to those who deserve it and not those who appear to deserve it..... Be more aware of who is doing what... I think you may be surprised at what you see!*
- *Everything*
- *The communication between management and staff. The benefits and compensation program could be better (i.e. more frequent bonuses).*
- *Listening skills*

3. If you could change one thing about Advanced Technologies, what would it be?

- *Increase pay scales to compensate employees more fairly*
- *I'd have more social activities that included employees from all different levels and departments.*
- *I'd get the walls down between management and employees.*
- *I would have more interaction between different departments, staff members, and staff/management.*
- *Increase management's awareness to employee needs.*
- *Not much*
- *Communication between management and employees*
- *Everything...*
